

VOCM India Church Planting Process:

- 1) Seed preaching in a target village.
- 2) Literature distribution in the target village.
- 3) Permission requested from the head man of the village.
- 4) Adult literacy classes in the veranda of a village home.
- 5) Prayer for those who seek prayer.
- 6) Saturday Sunday School for children.
- 7) Purchase of land or land gifted for building a church.
- 8) Construction of a standardized small church structure with potential for additional space added as the church grows.
- 9) Relocation of literacy classes and Saturday Sunday School to church structure.
- 10) Worship services begun.
- 11) Placement of church planting pastor.

Workers:

- 1) Local church members from larger towns and villages close to the village where Christ is being shared.
- 2) Students from the Bible training center.
